A little bit of club history –

Way back in the Autumn of 2000, a small group of local **Mini** owners got together and decided there was a need for a club that would bring together **Mini** owners and enthusiasts from the Portsmouth and Southampton area, (hence the club name). It would seem their instinct was correct, as since then, the club has rapidly grown in size, and now attracts over 100 members each year. A few years ago it became apparent that owners of new **MINIs** are just as enthusiastic about their cars as the Classic owners. After some discussion, the members voted overwhelmingly in favour of opening the club up to new **MINI** owners too, and we are now proud to be one of the few clubs in the area where owners of both cars can meet on an equal footing.

Some benefits of club membership –

Regular Newsletter keeping you informed about upcoming events.

Twice-monthly social meeting.

A busy Forum including events details, technical information and for sale/wanted.

Access to the member-only area of the club Forum, (not available to general Forum users).

Join us on our club stands at various Mini shows as well as the many classic car shows and local events we attend.

A busy calendar of social events including the annual BBQ and camping weekend, quiz nights, Christmas party, weekend breaks and various runs and cruises that usually involve food and drink somewhere.
